| Note: This practicum course is open to LL.M. students, space permitting. Interested LL.M. students should email Louis Fine (lfine@law.georgetown.edu) to request admission. | | | | | | | |
| This course is suitable for evening students who can commit to attending class and working 5 hours/week (during business hours) on site at Whitman-Walker Health, located in Northwest DC. | | | | | | | |
| This is a three credit course. Two credits will be awarded for the two-hour weekly seminar and one credit for approximately 5 hours of supervised fieldwork per week, for a minimum of 11 weeks, to be scheduled with the faculty. The supervised fieldwork must be completed during normal business hours. The two-credit seminar portion will be graded. The one credit of fieldwork is mandatory pass/fail. Students will be allowed to take another course pass/fail in the same semester as the fieldwork. | | | | | | | |
| Students who enroll in this course will be automatically enrolled in both the seminar and fieldwork components and may not take either component separately. After Add/Drop, a student who wishes to withdraw from a practicum course must obtain permission from the faculty member and the Assistant Dean for Experiential Education. The Assistant Dean will grant such withdrawal requests only when remaining enrolled in the practicum would cause significant hardship for the student. A student who is granted permission to withdraw will be withdrawn from both the seminar and fieldwork components. | | | | | | | |
| Default attendance rule for all practicum courses (unless the professor indicates otherwise): Regular and punctual attendance is required at all practicum seminars and fieldwork placements. Students in project-based practicum courses are similarly required to devote the requisite number of hours to their project. If a student must miss seminar, fieldwork, or project work, he or she must speak to the professor as soon as possible to discuss the absence. Unless the professor indicates otherwise, a student with more than one unexcused absence from the practicum seminar (out of 13 total seminar sessions), or one week of unexcused absences from the fieldwork or project work (out of a total of 11 weeks of fieldwork or project work), may receive a lower grade or, at the professor's discretion, may be withdrawn from the practicum course. | | | | | | | |
| Prerequisites: Students must complete the required first-year program prior to enrolling in this course (part-time and interdivisional transfer students may enroll prior to completing Criminal Justice, Property, or their first-year elective). | | | | | | | |
| Mutually Excluded Courses: Students may not concurrently enroll in this practicum and an externship, clinic, or another practicum course. | | | | | | | |
